

From Crisis to Confidence:

Secure Your Financial Future During and After Divorce

Turning Tides Financial ensures clients are well-equipped to make informed decisions, reinforcing the belief that divorce doesn't define one's future.

Don't Let an Emotional Crisis Become a Financial Crisis

Client testimonials highlight the firm's impact. Suzette shares, "I can't put into words how grateful I am for Julianne. Going through a divorce has been the most terrifying, uncertain, and confusing experience of my life. The financial piece is the most complicated and anxiety-inducing part of it. From the first day that I met Julianne, she has been by my side, working tirelessly to make sure I understand everything that is happening and will be happening."

Turning Tides Financial, LLC, located in Williamsville, New York, is dedicated to empowering women through significant life transitions, particularly divorce. The firm emphasizes that "an emotional crisis does not need to be a financial crisis," offering specialized services to guide clients in negotiating and planning for their new financial paths with confidence.

The firm's passion lies in assisting women at all stages of divorce—considering, in the process, or post-divorce. They provide comprehensive financial planning, asset management, and divorce planning services tailored to each client's unique situation. By focusing on financial expertise and personalized support, they often work directly with client's Mediators and Attorneys to optimize the best possible outcome for our clients and their future.

Don't let uncertainty about moving forward cause future financial problems. Turning Tides Financial will help you navigate the process and plan for your new financial future.
